MEMBER SPOTLIGHT

Lisa Strasheim

Lisa serves as the VP of the Women's Service Line for CHI Health (a part of Common Spirit Health) serving communities in NE, IA, ND and MN. Lisa oversees 14 birthing sites ranging from critical access to level 4 centers. Her clinical experiences include bedside NICU, Transport RN and NNP. Her real passion lies in developing teams and working with community partners to decrease health disparities for all birthing people and their families. In addition she is a fierce advocate for advanced practice nursing. She received her BSN from SIU-E in Edwardsville, MSN from University of Missouri, St. Louis and MBA from Nebraska Wesleyan University.
